Additional Resources

If you find this information interesting and desire more details, then it is recommended that you explore the *Rapid Prototyping* features in VISION.

These features are explained in the **No-Hooks and OnTarget Rapid Prototyping User Manual** and the **VISION MBC Quick Start Manual**. The manuals can be found on the [ATI Support Portal](#) or your PC (C:\Program Files\Accurate Technologies\VISION XXX\Documentation).

Accurate Technologies Inc. is continually improving its products and reserves the right to alter the specifications of its products at any time without notice.
